January 2011

To: Supplier Members of the Western Candy Conference

Re: 2011 Conference – March 30 – April 3, 2011
CARMEL VALLEY RANCH, CARMEL VALLEY, CALIFORNIA

The WCC board has again set time aside in the 2011 Conference program for supplier table-top presentations. This event is currently scheduled for Saturday morning, April 2, as an active part of the business session. The event will take place prior to the presentation by the keynote speaker.

As in the past, no other events will be scheduled at the Conference during this part of the program. The Conference Committee will provide the tables and organize the layout. There will be no charge to exhibitors for participating in this event.

You know the unique quality of the WCC. This is an opportunity to discuss specifics of products and programs with company leaders in the relaxed and informal atmosphere that is a WCC tradition.

If you or someone in your company would like to be a part of this program, please return the response form by **mail or fax by March 7, 2011**. Further information will be provided to all participants. We will look forward to seeing you there.

Thank you for your participation,

Cindy Brooks, Suppliers Tables
Western Candy Conference
